Icebreaker Sessions

Building Confidence

In December we delivered a series of icebreaker and communication workshops with Computing, ITC and Employability students at Buxton and Leek FE College. These sessions are designed to help students improve their communication and interaction skills, with an added focus on personal goals and target setting. The careers and employability engagement manager said "Feedback from our staff was very positive with many commenting on positive changes in behaviour following our interactions." So far, so good!

Risking It All Cheshire West Tour

Supported by the Cheshire West Safeguarding Children Partnership, the safeguarding session 'Risking It All' will tour to 20 secondary schools across the region. Using the real-life stories of local young people, we explore themes including sexual and criminal exploitation, risk taking behaviour, and substance misuse. With only two slots remaining for Cheshire West High Schools, make sure your school doesn't miss out, email info@2engage.co.uk.

'Expecting More' - RSE

(Relationship and Sex Education)

Zengage delivered RSE sessions across Shropshire and East Cheshire again this year. The verbatim performance and interactive hot-seating session aptly named 'Expecting More' engages audiences in the dilemmas faced by teenage parents, and links perfectly in to the PHSE and RSE curriculum. This session is available now until March on selected dates in July.

E-Safety in Primary Schools

Digital Citizenship

We're pleased to share that the award-winning interactive presentation 'Snaptrap' will be available to 130 primaries across Cheshire West in 2023. The 'Snap Trap' is an evidence-based, interactive performance and discussion session that helps children recognise the risks associated with digital life and social media in an entertaining and engaging way. Further details and booking information have been sent to all qualifying schools.

CALL OUT FOR PERFORMERS

Work throughout 2023

If you want to be part of our work across education and communities, we want to hear from you. Our projects are mostly NorthWest and Midlands based but we can and do travel all over the UK. Currently, we're looking to hear from young male performers. If you are interested, please use the contact information below for any queries regarding opportunities at 2engage or email casting@2engage.co.uk
